SPEIRS MAJOR

To commemorate the 2019 Lord Mayor's Show and to honour the Lord Mayor of London, we were commissioned by the City Corporation to implement a special lighting effect on London Bridge, Cannon Rail Bridge and Southwark Bridge after the Lord Mayor's Show.

Charity- Better City For All

The 'one-off lighting event' consisted of a 15 minute loop in three 'acts' inspired by the movement of light in the city both past, present and future, combined with a static interlude using the colours of the Lord Mayor's chosen charity, A Better City For All. The show was witnessed by thousands of people on the riverbanks within the City of London and Southwark area
