

Carrie Donahue Bremner
Associate
BArch, BFA

Carrie Donahue Bremner has had over 11 years experience in lighting design since graduating from The Rhode Island School of Design, Providence, Rhode Island, USA.

Carrie was previously employed with RMJM Scotland Ltd. where she worked on projects such as; West Cumbria College, West Lothian College, the Scottish United Services Museum Edinburgh Castle and Inverness Airport.

In 1998 Carrie joined Speirs + Major to expand her enthusiasm for art and architectural design into the realm of lighting design. Since then she has developed a keen interest in lighting and has worked on a diverse range of projects including; the Gateshead Millennium Bridge, Dresden Hauptbahnhof Germany, Sheikh Zayed Bin Sultan Al Nahyan Mosque in Abu Dhabi, The Dolder Grand Hotel in Zurich, Gardens by the Bay, Singapore and The Pinnacle in London.

Carrie is married with two children and lives in Edinburgh.
