

Clementine studied Architecture at the University of Newcastle upon Tyne and completed an MSc in Light & Lighting at The Bartlett, UCL in September 2009.

Clementine first joined Speirs + Major in 2005 as an Assistant Lighting Designer and has since worked her way to being named Associate Partner in 2014.

She has extensive experience of working on both interior and exterior lighting schemes as well as masterplanning projects. Key projects that she has worked on include a citywide strategy for Durham, which resulted in the Durham Market Square public realm and Durham Lumiere light festival installation projects, Barbecoa restaurant for Jamie Oliver, Interior Lighting Strategy for Canterbury Cathedral, Athlete's Village Public Realm, Maggie's Centre North East and the Jewish Community Centre in North London. Two projects that have recently completed are the Magic Garden at Hampton Court and the Harley Gallery at the Welbeck Estate. She has given numerous talks to the design community and is actively engaged in lighting education.

Clementine enjoys being involved in many creative pursuits, such as fine art, textiles, craftwork and jewellery silversmithing.
